

## CITY OF PORTSMOUTH

## PRESS RELEASE

**FOR  
IMMEDIATE  
RELEASE**

**June 28, 2017**

### **Upcoming Night Work on Peirce Island**

PORTSMOUTH, NH – Our treatment facility contractor has informed the City that one of their specialty contractors will be doing work related to the Peirce Island Wastewater Treatment Facility Upgrade outside of the typical work hours of 7:00 a.m. to 6:00 p.m. tonight, June 28<sup>th</sup>. The Contractor will be performing underground piping interconnections during periods of low flow in the sewer system overnight. Efforts will be made to minimize the noise associated with this work. This Contractor's work will be performed on Peirce Island at the Wastewater Treatment Facility. City staff will be on site and will also be at the Mechanic Street Pumping Station during this time period.

This work is planned to be performed in one overnight shift. Please contact Don Song, Engineering Project Manager at (603) 610-7305 or [dsong@cityofportsmouth.com](mailto:dsong@cityofportsmouth.com) if you should have questions about this work.
